## **SCHEME OF SCHOLARSHIPS FOR STUDENTS WITH DISABILITIES**

### **1. INTRODUCTION**

**1.1.** Education plays a pivotal role in socio-economic empowerment of Persons with Disabilities. Recognizing its crucial role, the Directive Principles of State Policy in the Constitution of India and the Rights of Persons with Disabilities Act, 2016 have underlined the role of the State in realization of the Right to Education for Persons with Disabilities. Article 41 of Part IV (Directive Principles of State Policy) of the Constitution provides that the State shall make effective provisions for securing the right to work, to education and to public assistance in cases of unemployment, old age, sickness and disablement, and in other cases of undeserved want.

**1.2** Article 46 of Part IV (Directive Principles of State Policy) of the Constitution enjoins upon the State to promote the educational and economic interests of the weaker sections of the people. Article 38(2) of the same Part also enjoins upon the State to minimize inequalities in income and to endeavor to eliminate inequalities in status, facilities and opportunities, not only amongst individuals but also amongst groups of people residing in different areas or engaged in different vocations.

**1.3.** Section 31 (I) of the Rights of Persons with Disabilities Act, 2016 (RPwD) states that “Notwithstanding anything contained in the Rights of Children to Free and Compulsory Education Act, 2009, every child with benchmark disability between the age of six to eighteen years shall have the right to free education in a neighborhood school, or in a special school, of his choice”.

**1.4.** Further, Section 17 (h) of the RPwD Act- 2016 mandates the provision of scholarships in appropriate cases to students with benchmark disabilities.

**1.5.** To fulfill these mandates, the Department of Empowerment of Persons with Disabilities, Government of India is implementing “Scheme of Scholarships for Students with Disabilities” with following six components:

- i. Pre-matric Scholarship (For Classes IX and X)
- ii. Post-matric Scholarship (For Class XI to Post-Graduate Degree/Diploma)

<b>Question 17</b>	<b>What is the meaning of verification in the scholarship process?</b>
<b>Answer:</b>	<p>The process of verification is essentially meant to check whether the particulars given in the scholarship form are correct as per the documents enclosed. The verification is done in two steps namely School/college/Institute verification and State verification.</p> <p><b>School/Institute Verification:-</b> The Institute Nodal Officer has been mandated to verify the documents submitted/uploaded by the students against the entries made in the application form online. If all the entries are found correct, the Institute Nodal Officer would accept and forward the application to State level for verification by the appointed Officer or by the State Nodal Officer.</p> <p><b>State Verification:</b> - The Verification officer appointed by State Nodal Officer or himself verifies the application as per the documents uploaded by each student and as per the verification done by the Institutes. If found eligible, the SNO would accept the application for scholarship and after completion of Bank validation on PFMS, the SNO would digitally sign the same and send it to the concerned Ministry for further processing.</p>
<b>Question 18</b>	<b>Why is the application sent for Bank Validation after State verification?</b>
<b>Answer:</b>	After completion of verification by SNO, the application moves forward to PFMS for bank validation. In this process, PFMS verifies whether the bank account details of the student i.e. IFSC code, Account No. etc. are correct/valid. If the bank details are found incorrect/invalid, the application would be rejected by PFMS. In this case, the payment process may be completed only after account correction in the application, if correction provision is available on NSP.
